Designed For YOU in The Dakotas

Every issue of The Dakota Farmer is designed for you who live, farm, and raise livestock in the Dakotas. Want information about small grains? About new seeds, about new varieties, or tillage practices? You'll get what you want, and more, as a Dakota Farmer subscriber.

Want information concerning new rations or handling practices for livestock you raise? Want to know more about production testing, artificial insemination, new drugs for livestock use? The Dakota Farmer covers these subjects, too, on a regular basis.

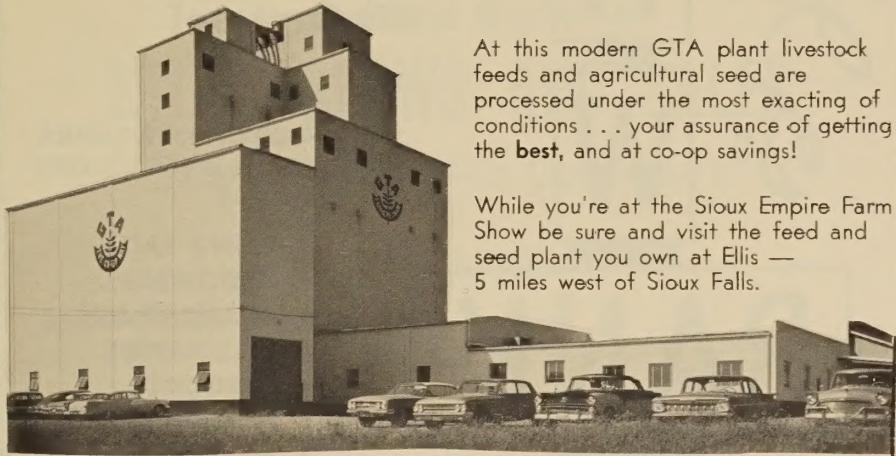

You'll also be interested in the new Farm Business Forum section now a part of each issue, along with a Markets page, complete livestock coverage, plus items of general interest to those who live and farm in the Dakotas.

In December, each year now, look for the "Dakota Roundup", an annual special coverage issue by The Dakota Farmer in a bright colorful jacket with lots of information of lasting interest to all Dakota farmers and stockmen.

Our summer Senior yearling show bull. He is a growthy individual with a pedigree that couldn't be written better. This bull has an outstanding head and carries tremendous thickness over his back and loin and still maintains his smoothness. He is very red-meated, straight, and correct. His sire is a son of Ankonian OB 13th an Int'l. Grand Champ. bull by O Bardoliermere. His dam is a daughter of Homeplace Eileenmere 187th, a bull which did such a terrific job for us and of which many daughters still remain in our cow herd. We've thought enough of this bull to use him in our cow herd. His calves are on the ground and have great promise. Here is a bull any breeder could afford in their breeding program.

A first place class winner and member of our winning get of sire by Scottish Prince 8335th at the 1963 South Dakota State Fair. A very thick, good quartered, broody female with plenty of bone. Bred to Meadow Lane Monarch, our new son of Dor Macs Bardoliermere 150th, 1959 Int'l. Grand Champ. bull. Monarch has made a tremendous record for himself. He was Res. Gr. Champ. at the 1963 American Royal at Kansas City, as only one of his many accomplishments. A tremendous opportunity to buy a real combination.

Terms and Conditions

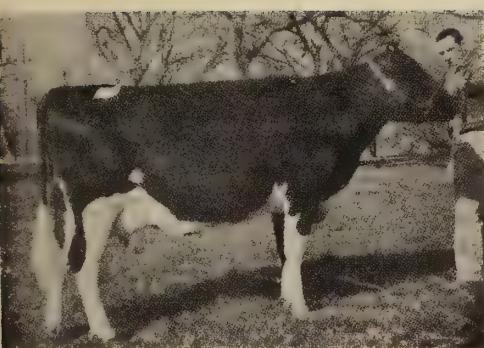

In addition to the terms and conditions listed earlier in the catalog the following is also in effect for the Holstein Sale.

Certificates: Each animal is recorded, or will be recorded, in the Herd Book of the Association. The certificate of registry with recorded transfer will be furnished by the seller to the purchaser free of charge.

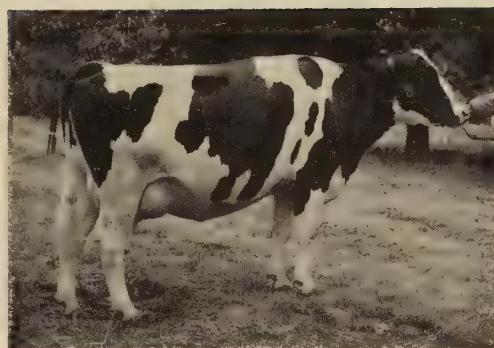

Warranties:

1. Each seller warrants clear title to the animal and right to sell the same.
2. Unless otherwise announced from the auction stand, each animal is sold as sound.
3. (A) Bulls: Are sold as being able to serve and settle after reaching 14 months of age. The buyer is expected to provide reasonable care and feeding. Should the bull prove to be a non-breeder, the buyer shall notify the seller within 4 months after the bull reaches 14 months of age. The seller shall then have 6 months to prove the bull to be a breeder. In no case shall the seller be responsible for more than the selling price.
4. (B) Females: Any female pregnant when sold or that has freshened normally within 60 days prior to the date of the sale is by that fact considered a breeder. Should any other female not pregnant when sold fail to become pregnant within 6 months of sale date, or if less than 15 months old when sold by the time she reaches the age of 21 months, after having been bred to a bull known to be a breeder and after having been treated by a licensed veterinarian, the matter shall be reported in writing to the seller who shall then have the privilege of 6 months time in which to prove the animal a breeder before refunding the purchase price. Females bred when sold are presumed to be pregnant but pregnancy is not guaranteed. The seller makes no warranty that pregnant cows will deliver calves or that they will carry calves full time. In no case shall the seller be responsible for more than the sale price of the animal.
4. Above warranties cease when the animal is disposed of by the original purchaser.
5. Transportation charges on all animals subject to adjustment shall be paid by the shipper.

"PARTNERS IN AGRICULTURAL PROGRESS"

The annual **SIOUX EMPIRE FARM SHOW** is but one of the many agricultural activities sponsored each year by the Sioux Falls Chamber of Commerce.

Realizing the importance of agriculture to the economy of our city, the Sioux Falls Chamber of Commerce has sponsored the National Plowing Contest, the National Cornpicking Contest, Land Judging Schools and we give full cooperation to the Sioux Empire Fair, Soil Conservation Programs and many other activities related to the most important industry in our state—agriculture.

Sioux Falls has been selected as the site of the 1964 National Cornpicking Contest.

Our city is no better than the agricultural area surrounding it. Our constant purpose will be to always maintain a close working relationship with all interests to upgrade farming methods and income in our state, area and all America.
